

## **OFS to Present Series of Sessions at Fiber Connect Conference**

**Fiber Connect 2019, Orlando, Florida, May 21, 2019** - OFS, a leading manufacturer of innovative fiber optic products and solutions will showcase continued technical and industry leadership in two highly rated educational sessions at the annual Fiber Connect Conference to be held at the Gaylord Palms, Orlando, Florida from June 3-5, 2019.

OFS Applications Engineering Manager Mark Boxer and Professional Services Manager Jeff Bush will present “Fiber Broadband Starter Kit” on Sunday, June 2, 2019 from 1:15PM – 2:00PM.

This session will discuss the drivers behind the insatiable demand for bandwidth and the role of fiber in today’s network. Participants will learn the definitions and details of typical fiber network components, installation techniques, and tradeoffs for different network architectures.

John George, Senior Director of Solutions and Professional Services for OFS and Fiber Broadband Association Board Member, will moderate the panel “Fiber Broadband Case Studies for Multifamily Properties” on Monday, June 3rd from 7:45AM – 9:00AM.

This session will discuss how the growth in optical fiber to Multiple Dwelling Units and Multiple Tenant Units offer both challenges and opportunities to service providers. Residents and owners of apartments, condominiums, and businesses want the benefits of fiber connections to each unit now more than ever. Participants in this session will learn from a panel of experienced experts how they deployed fiber into the living unit cost effectively, the challenges they faced, and how they met the challenges to produce a successful deployment.

For further detail on all of the presentations and sessions by OFS please visit the [Fiber Connect website](#). For more information on these and other OFS products, stop by the OFS booth #1401 or visit [www.ofsoptics.com](http://www.ofsoptics.com).

## **About OFS**

OFS is a world-leading designer, manufacturer and provider of optical fiber, fiber optic cable, connectivity, fiber-to-the-subscriber (FTTx) and specialty fiber optic products. We put our development and manufacturing resources to work creating solutions for applications in such areas as telecommunications, medicine, industrial automation, sensing, aerospace, defense and energy. We provide reliable, cost-effective fiber optic solutions that help our customers meet the needs of consumers and businesses today and into the future.

Headquartered in Norcross (near Atlanta) Georgia, U.S.A., OFS is a global provider with facilities in China, Denmark, Germany, Morocco, Russia and the United States. OFS is part of Furukawa Electric Company, a multi-billion dollar leader in optical communications.
